Community Center

Community Center

This facility supports community activities for local residents.

3-6-3 Places for Children

I want my children to have a place to play and study.

Children's Center

Children's Center

Children up to age 18 and their parents can use the center. They can read books, play musical instruments, and enjoy sports such as table tennis.

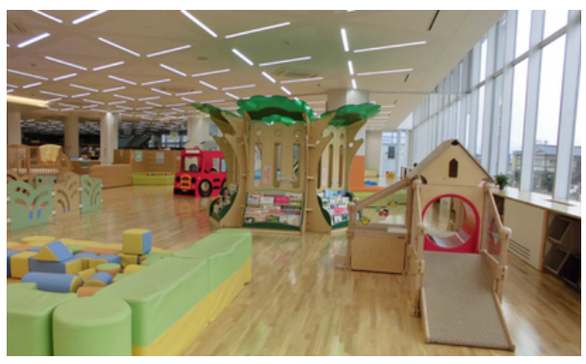

Children's Activity Center (Younesu Shibata)

Children's Activity Center

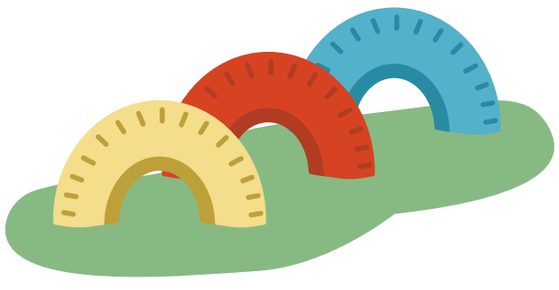

Children up to age 18 can play here even on rainy or snowy days. There is also a bouldering wall.

Shibata Station Front Complex (Ikunesu Shibata)

Children's Center in Ikunesu Shibata

At the Children's Center in Ikunesu Shibata, children up to age 6 can play. Temporary childcare is also available.

3-6-4 Places to Play Sports

I want to exercise and stay active.

Shibata Central Park Sports Area

There are basketball courts, tennis courts, and a fitness gym. There is also a field where you can play soccer and rugby.

Shibata Central Park

Ijimino Park Sports Area

There is an athletic stadium, a baseball field, tennis courts, and Sun Village Shibata. There is also a gateball court.

Ijimino Park

There are other places where you can play sports. Scan the QR code on the right for more information.
